

PETER SCHULTZ.

APRIL 11, 1884.—Laid on the table and ordered to be printed.

Mr. BAGLEY, from the Committee on Invalid Pensions, submitted the following

REPORT:

[To accompany bill H. R. 4827.]

The Committee on Invalid Pensions, to whom was referred the bill (H. R. 4827) for the relief of Peter Schultz, having considered the same, make the following report:

The examination of this case shows that the petitioner is about ninety years of age, and that he owns real estate variously estimated to be worth from \$1,000 to \$4,000, and that he derives no inconsiderable income therefrom. It is endeavored to prove that the father was dependent upon the son for support. This the committee think is not accomplished, although the son did send money from the Army to his father. It is not shown he was disabled in any way or that he was incapable of his own maintenance. The committee are of the opinion that the bill should not pass, and recommend that it lie on the table.
